

Bergen CASA

Circle of Light Sponsorships

Every child should look forward to a brighter future, knowing they have unwavering physical and emotional support, each and every day.

By becoming a CASA Sponsor, you can help provide that light.

Your support will help ensure Bergen County children in need get the advocacy and encouragement they deserve, holiday surprises every child looks forward to, and most importantly, a chance to hope, grow, dream and thrive!

About CASA

Bergen County CASA is part of a nationwide network of more than 76,000 volunteers serving children who have been removed from their homes due to abuse and/or neglect. Since we opened our doors in August 2003, Bergen CASA volunteers have advocated for over 570 children living in foster care. Appointed by Family Court Judges, we make sure that these children receive the services they need, that they are not moved from home to home, and that they find a safe, permanent home as quickly as possible. For many of these children, their CASA volunteer may also be the one consistent adult presence in their lives.

A sponsorship will help support Bergen CASA's program to provide advocates, birthday and holiday gifts, and other needed items for the children. It is only with sponsorship support that we can reach our goal of providing advocates for 100% of the children that need us. Please help us light their path.
